

MOTION BY SUPERVISOR GLORIA MOLINA

September 20, 2005

The Combined Federal Campaign (CFC) is a fundraising drive that was authorized in 1961 by Executive Order as the only workplace fundraising program for Federal employees. Over the past fifteen years, Federal employees in Los Angeles County have pledged over \$41 million to charity through the Combined Federal Campaign.

In recognizing September 21, 2005 as "The Greater Los Angeles Federal Employees' Combined Federal Campaign Day," Los Angeles County joins CFC in kicking off their annual workplace fundraising drive to benefit hundreds of local, national and international charities serving our communities.

I, THEREFORE, MOVE THAT the Board of Supervisors hereby proclaim September 21, 2005 as "The Greater Los Angeles Federal Employees' Combined Federal Campaign Day" in the County of Los Angeles and recognize the generosity of postal, military, civilian and other Federal employees who support our communities and help to improve the quality of life for all.
